Center-Long Island*

THURSDAY, DECEMBER 18
7-8:30 PM ET
ZOOM

Join us for a **FREE** virtual workshop this December. Connect with fellow DSAF families for an engaging conversation about navigating life with a child with Down syndrome.

Whether you're looking for resources, guidance, or simply a space to share and listen, this session offers a welcoming community of support. As our last workshop of the year, we invite you to reflect, recharge, and gather useful tools for the year ahead.

DSAF workshops are funded through a grant from Office of Persons with Developmental Disabilities (OPWDD). In order for us to maintain this funding, and continue supporting families, we need to clearly show that we are serving families who currently have TABS numbers and have Family Support Services (FSS). Thus, if you reside in NYS and you applied for and received a TAB number through OPWDD, we will be asking you for that information when you attend our grant sponsored events.
