DSAF workshops are funded through a grant from Office of Persons with Developmental Disabilities (OPWDD). In order for us to maintain this funding, and continue supporting families, we need to clearly show that we are serving families who currently have TABS numbers and have Family Support Services (FSS). Thus, if you applied for and received a TAB number through OPWDD, we will be asking you for that information when you attend our grant sponsored events. Thank you for your support!
